

To,
The HR Manager
EY company, MIDC, Pune

Subject:- Cover Letter

Respected Sir/Ma'am,

I am writing in response to your job notification for the position of Software engineer. I am a B. Tech. in Computers with a pointer of 9.51(CGPA).

I have worked on Application for Stray dogs, Stock Price Predictor website, and Automatic Query Expansion project. I also have good knowledge of C, C++, Java, Python, html, css. I did 2 months internship from Sampurv technologies.

Some of my personal qualities which you may find useful for this role are can work under pressure, have positive attitude toward everything, can easily adapt to changes, good communication skills. I can deal with situations where need to take decisions and can handle situation calmly.

Please find my detailed CV/resume for your consideration. Should you need any more details please do let me know.

Thanking you for your time and looking forward to hear from you.

Sincerely,

Sanskruti Milind Pampattiwar
